Virtual Public Meeting Recording Now Available for the NM 264 Alignment Study

The New Mexico Department of Transportation (NMDOT), in coordination with the Federal Highway Administration, is conducting an Alignment Study on NM 264 in McKinley County from the Arizona/New Mexico state line to the US 491 interchange near Yah-Ta-Hey to document existing conditions and develop highway improvement alternatives. NM 264 serves as a key corridor to the Navajo Nation, connecting communities to Window Rock, AZ, and serves as a connection to US 491. A public meeting was hosted on August 23, 2022 to introduce the study, the conditions identified, and receive public input.
