## District Four Closures

The New Mexico Department of Transportation District Four has closed Bridge 1190 in Rayado as a precautionary measure. The bridge, which is located between Springer and Cimarron on N.M. 21 at milepost 10.8, will remain closed until bridge repairs can be performed and completed.

N.M. 91 in Santa Rosa is closed at milepost 1 after bridge 1190 was damaged by a substructure fire. This closure will remain in effect until a new bridge structure is placed.
