Traffic Report for May 24, 2024

Tucumcari Project Office

CN4101390 - Interstate 40, Mileposts 344.5 to 350 (Between Tucumcari & Santa Rosa)

Cost: \$22,500,000.00

Contractor: Fisher Sand & Gravel

Scope of Work: Roadway Reconstruction and Bridge Rehabilitation operations will be performed on both the east and westbound lanes of Interstate 40. Construction includes a mill and overlay, replacement of metal barrier (guardrail), new fencing, bridge rehabilitation, installation of underdrains, and placement of new permanent signage and striping.

Status: This project is set to begin and be completed by this Summer (2024)

Hours of Operation: There are currently no construction activities.

Travel Impact: None

Raton Project Office

CN4100822 - Interstate 25, Mileposts 454 to 460 (Raton Pass - Phase II)

Cost: \$21,380,723.00

Contractor: Northern Mountain

Scope of Work: Roadway Reconstruction, Bridge Rehabilitation, Erosion Control, ITS (Intelligent Transportation Systems) improvements, New Lighting, New Signing and Striping, Drainage Improvements, New Wildlife Fencing, along with Rockfall and Settlement Mitigation

Status: This project is currently ongoing.

Hours of Operation: 6 a.m. to 6 p.m.

Travel Impact: Lane closure on I-25 NB at the South Crossover, speed has been reduced to 45 mph.

CN4100823 - Interstate 25, Mileposts 454 to 460 (Raton Pass - Phase III)

Cost: \$27,645,000.00

Contractor: Fisher Sand & Gravel

Scope of Work: Roadway Reconstruction and Rehabilitation operations will be performed on Interstate 25 between mileposts 454 (Raton) and 460 (Colorado Border). Additional construction operations being performed include earthwork, drainage improvements, new guardrail installation, rock-cut mitigation, erosion repair/ control, and placement of new permanent traffic control signage and striping.

Status: This project is set to begin this Summer (2024)

Hours of Operation: 6 a.m. to 6 p.m.

Travel Impact: Motorists can anticipate various lane and shoulder restrictions and reduced speed throughout the project limits that may cause minor travel delays. The contractor's hours of operation are between 6:30 a.m. and 5:30 p.m., Monday through Friday.

CN4101270 - U.S. 64, Mileposts 322 to 330 (Colfax)

Cost: \$14,840,000.00

Contractor: Mountain States

Scope of Work: Roadway Reconstruction and Rehabilitation operations will be performed on U.S. 64 between mileposts 322 and 330. Additional construction operations being performed include the installation of new metal and concrete wall barriers and permanent striping.

Status: This project is set to begin and be completed by this Summer (2024)

Hours of Operation: 6 a.m. to 6 p.m., Monday through Friday

Travel Impact: Motorists can anticipate various lane and shoulder restrictions and reduced speed throughout the project limits, minor delays are expected.

Clayton Project Office

CN4100701- U.S. 64, Mileposts 272 to 276 (Angel Fire)

Cost: \$28,500,000.00

Contractor: Fisher Sand & Gravel

Scope of Work: Roadway Reconstruction and Rehabilitation operations consist of milling and overlaying of the roadway, shoulder widening (new construction), extension of drainage structures, retaining walls, gabion walls, erosion control, along with new permanent signage and striping.

Status: This project is under full suspension and is set to restart in June.

Hours of Operation: There are currently no construction activities.

Travel Impact: No Impact

Santa Rosa Project Office

CN4101370 - Interstate 25, Mileposts 305 to 309 (Rowe)

Cost: \$17,246,316.26

Contractor: Fisher Sand & Gravel

Scope of Work: Roadway & Bridge Rehabilitation operations will be performed on Interstate 25 between mileposts 305 and 309. Additional construction operations being performed include the installation of new metal wall barriers, erosion mitigation, curb and gutter improvements, cattle guard replacement, fencing, and new traffic control signage and permanent striping.

Status: This project is currently ongoing.

Hours of Operation: 6 a.m. to 6 p.m.

Traffic Impact: Motorists can anticipate various lane and shoulder restrictions and reduced speed throughout the project limits that may cause minor travel delays.

CN4101400 - Interstate 40, Mileposts 322 to 327 (Palomas)

Cost: \$13,850,000.00

Contractor: Fisher Sand & Gravel

Scope of Work: Roadway & Bridge Rehabilitation operations will be performed on Interstate 40 between mileposts 322 and 327. Additional construction operations include improvements to official median crossovers and the underdrains, and installation of new metal and concrete wall

barriers. Concrete rundowns at bridge approaches and departures will also be improved along with the placement of new permanent signage and striping.

Status: This project is currently ongoing.

Hours of Operation: 6 a.m. to 6 p.m.

Traffic Impact: Motorists can anticipate various lane and shoulder restrictions and reduced speed throughout the project limits that may cause minor travel delays.

Las Vegas Project Office

CN4100384R – N.M. 434, Mileposts 21 to 23.3 (Black Lake)

Cost: \$18,800,000.00

Contractor: Fisher Sand & Gravel

Scope of Work: Roadway Reconstruction operations will be performed on N.M. 434 between mileposts 21 and 23.3. Additional construction operations being performed include earthwork, rock excavation, rock scaling, rock blasting, drainage structure improvements, retaining walls, and new traffic control signage and striping.

Status: This project is currently ongoing.

Hours of Operation: 6 a.m. to 6 p.m.

Traffic Impact: Motorists can anticipate various lane and shoulder restrictions and reduced speed throughout the project limits that may cause minor travel delays.

CNM401134 – N.M. 94, Mileposts 0 to 17 (Sapello to Mora)

Cost: \$1,462,856.39

Contractor: Dustrol

Scope of Work: Roadway Resurfacing operations will be performed on N.M. 94 between mileposts 0 and 17.

Status: This project is currently ongoing.

Hours of Operation: 6 a.m. to 6 p.m.

Traffic Impact: Motorists can anticipate various lane and shoulder restrictions and reduced speed throughout the project limits that may cause travel delays.

District Four Closures

N.M. 91 in Santa Rosa is closed at milepost 1 after Bridge 1190 was damaged by a substructure fire. This closure will remain in effect until a new bridge structure is placed.
